

Assignment - 2

Working with IAM User

1. Create a User
Screenshot of User Console

2. Assign Permissions to the User
Screenshot of S3 Permission and Screenshot of EC2 Permission

3. Login as the IAM User Screenshot of S3 Console / EC2 Console

The screenshot shows the AWS IAM console 'Change password' page for the user 'letsupgradeuser1'. The page is titled 'You must change your password to continue'. It displays the AWS account ID '004712593742' and the IAM user name 'letsupgradeuser1'. There are three input fields: 'Old password', 'New password', and 'Retype new password'. A 'Confirm password change' button is at the bottom. Below the button is a link 'Sign in with your email address'. At the bottom of the page, there is a language dropdown set to 'English' and a footer with 'Terms of Use' and 'Privacy Policy'.

Ss4: Check the permissions for the user

The screenshot shows the AWS EC2 console dashboard for the user 'letsupgradeuser @ 0047-1259-3742' in the 'Ohio' region. The dashboard includes a left-hand navigation menu with options like 'New EC2 Experience', 'EC2 Dashboard', 'Events', 'Tags', 'Limits', 'Instances', 'Instance Types', 'Launch Templates', 'Spot Requests', 'Savings Plans', 'Reserved Instances', 'Dedicated Hosts', 'Capacity Reservations', 'Images', and 'AMIs'. The main content area features a 'Welcome to the new EC2 console!' message, a 'Resources' section listing various EC2 resources (Instances (running), Elastic IPs, Key pairs, Placement groups, Snapshots, Dedicated Hosts, Instances, Load balancers, Security groups, Volumes) with 'API Error' status indicators, and an 'Account attributes' section with links to 'Supported platforms', 'Default VPC', 'Settings', 'EBS encryption', 'Zones', 'Default credit specification', and 'Console experiments'. A 'Feedback' button is at the bottom left, and a footer with '© 2008 - 2021, Amazon Internet Services Private Ltd. or its affiliates. All rights reserved.' is at the bottom.

Welcome to the new EC2 console!

We're redesigning the EC2 console to make it easier to use and improve performance. We'll release new screens periodically. We encourage you to try them and let us know where we can make improvements. To switch between the old console and the new console, use the New EC2 Experience toggle.

Resources

You are using the following Amazon EC2 resources in the US East (Ohio) Region:

Instances (running)	API Error	Dedicated Hosts	API Error
Elastic IPs	API Error	Instances	API Error
Key pairs	API Error	Load balancers	API Error
Placement groups	API Error	Security groups	API Error
Snapshots	API Error	Volumes	API Error

Easily size, configure, and deploy Microsoft SQL Server Always On availability groups on AWS using the AWS Launch Wizard for SQL Server. [Learn more](#)
